

# Newton, Newton low

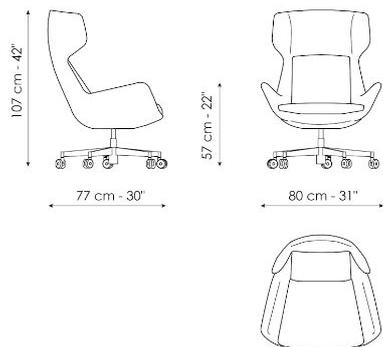

La poltrona da ufficio Newton colpisce per l'importante seduta dal comfort avvolgente, derivante dall'alto schienale e dalla seduta ampia e comoda. Oltre ad offrire il massimo comfort, fondamentale per un uso prolungato della poltrona negli ambienti di lavoro, lo schienale alto la rende elegante e perfetta per il mondo del business, dove può collocarsi all'interno di una zona executive o presidenziale. Newton è rivestita nella versione mono-materiale in pelle, o tessuto

mentre nella versione bi-rivestimento il sedile è in tessuto ed i cuscini frontali possono essere in pelle. La base è girevole a raggiera a cinque appoggi su ruote. La poltrona da ufficio Newton low appartiene alla omonima famiglia, alla quale può essere abbinata a corredo di un ufficio executive come seduta ospite, pur essendo perfetta anche in autonomia come protagonista di spazi ufficio e living moderni ed eleganti.
