

Parallelo is a modular rug created by joining wool cords, in different mélangé colours, sewn lengthwise with Punto Zigzag.

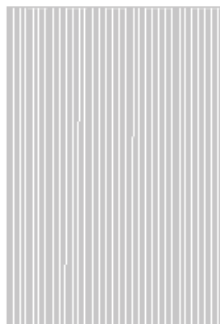

The irregular version of Parallelo is available in two variants:

- one that repeats the pattern of the rectangular or square version,
- one composed of two parts, featuring the same pattern, which are perpendicular to one another.

The border of the rug is finished with a wool cord in the predominant colour of the rug.

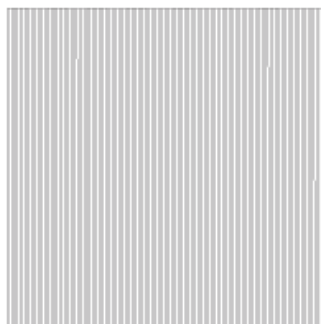

Up to a maximum of four colours can be chosen.
